

## Help make a difference by joining clean-up campaign

Want to make a difference to Bellville?

Join the Greater Tygerberg Partnership (GTP) in the City's better, bellville. together. community clean-up campaign, which kicks off today.

The better. bellville. together. initiative is geared towards economic growth and making Bellville a cleaner, safer and more beautiful place to live, work and play.

The campaign will take place twice a month and starts today until the end of June.

It aims to bring together residents,

local businesses and community groups to work towards a common goal – a cleaner and better Bellville.

Volunteers will receive the necessary tools and guidance to take part in the clean-up efforts. This includes gloves, compost buckets, reusable bags, and empty plastic bottles to make eco bricks.

"For an area like Bellville to thrive, it is important that the community is involved in all avenues of a local system, and waste is no exception. We want the residents and businesses of

Bellville to come and show their support for a cleaner Bellville, and actively be part of the waste solution," says Candice Mostert, waste project management lead for the better. bellville. together. initiative.

### WIN

The organisers will be dishing out spot prizes during each clean-up to reward the hard work. Up for grabs are vouchers, water bottles and sun hats. The first 30 volunteers to sign up will also receive a limited-edition better.

bellville. together. community clean-up bag, T-shirt and refreshments.

The community clean-up campaign will work in various areas of the Bellville CBD throughout the next three months and interested volunteers are encouraged to bring their own water bottle, hat and sunblock, and wear comfortable shoes.
